ST. AMELIA RELIGIOUS EDUCATION PROGRAM

SERVICE HOURS AND THIS FORM MUST BE COMPLETED AND TURNED IN AT YOUR INTERVIEW IN SEPTEMBER

SERVICE PROJECT "JOURNAL SHEET" As you complete a service project, please take time to reflect on your experience. You may wish to use some of the questions listed below to assist you in the reflection process. This is not an essay. A few brief thoughts will be sufficient.

POSSIBLE QUESTIONS FOR REFLECTION

What was your initial expectation when you decided or were expected to be involved in a particular project? Were you involved in the project with your friends or did you choose to work alone? Why? What was the age group you helped in the service project? How did you feel about your involvement with them? Did you feel you were using your gifts and talents for the service of others? Did you "experience" Jesus' words: "Whatever you do for others, you are doing for Me?" Would you consider a life of service for others that didn't pay much in the eyes of the world?
